Our Mission

To fulfill each learner's God-created identity by developing inquiring, knowledgeable, and caring young people who love God, pursue excellence, cultivate well-being, and serve others.

AN IB CONTINUUM WORLD SCHOOL

Three IB programmes, one continuous journey

CVWS is authorized by the International Baccalaureate to offer the Primary Years, Middle Years and Career-related Programmes, so students learn within one IB framework from early childhood through graduation.

PYP
Primary Years Programme
 PreK – Grade 5

MYP
Middle Years Programme
 Grades 6 – 10

CP
Career-related Programme
 Grades 11 – 12

SCHOOL & COMMUNITY

Creation Village World School (CVWS) is a Christ-centered, independent school in Celebration, Florida, offering an international education within a Christian community. Everything we do is shaped by **CREATION Life**, our framework for faith, character, well-being and service.

The campus works as a living classroom, with a farm and garden, outdoor learning spaces and sustainability projects. Students in Grades 6–12 belong to one of nine Houses; Grade 11–12 students form **Arcturus**, the Career-related Programme House. School life includes daily devotions, all-school chapel, and social-emotional learning through Yale's RULER approach.

CLASS OF 2027 PROFILE

MIDDLE 50%	RANGE
Weighted GPA (Florida scale)	3.62 – 4.38
Unweighted GPA (4.0 scale)	2.96 – 3.71
SAT total (8 of 9 tested)	990 – 1175

Cumulative through Grade 11. Because the class is small, CVWS reports ranges rather than a full GPA distribution. On average, seniors entered Grade 12 with 8 credits of IB, AP or dual-enrollment coursework.

FULLY ACCREDITED

ACS WASC (Accrediting Commission for Schools, Western Association of Schools and Colleges) • Florida Council of Independent Schools • Christian Schools International

UPPER SCHOOL CURRICULUM

Grades 9–10 • IB Middle Years Programme. Students study all eight MYP subject groups: language and literature, language acquisition (Spanish), individuals and societies, sciences, mathematics, arts, physical and health education, and design. The programme ends with the independent MYP **Personal Project** in Grade 10.

Grades 11–12 • IB Career-related Programme. The CP combines three components:

- at least two IB Diploma Programme courses, each with externally assessed IB examinations
- a career-related study with a university or industry partner
- the CP core: Personal and Professional Skills, Service Learning, Language Development and the Reflective Project

Standard diploma pathway. Students not in the CP complete the Florida 24-credit diploma through MYP courses in Grades 9–10 and CVWS or DP courses in Grades 11–12.

Academic Programme & Transcript Guide

IB & COLLEGE-LEVEL COURSES

PROGRAMME	COURSES
IB Diploma Programme within the CP, Grades 11–12	English Language & Literature · Mathematics: Applications & Interpretation · Environmental Systems & Societies · Physics · History of the Americas · Psychology
IB Middle Years Programme Grades 9–10	English 1–2 · Algebra 1, Geometry, Algebra 2, Precalculus · Biology, Chemistry, Physics, Environmental Science · World History, U.S. History · Spanish 1–2 · Art 1–2, Music 1–2 · Design · Physical Education · Personal Project
Career-related Studies see partner universities below	First-Year Composition I–II · College Algebra, Precalculus, Calculus for Engineers I, Statistics · Chemistry, Environmental Science, Marine Biology · Macroeconomics, American Government · Project Management, Business & IT, Health Professions

CAREER-RELATED STUDY & PATHWAYS

CP students complete a career-related study with a partner institution. Grades 6–12 follow seven career pathways:

BUSINESS & SUSTAINABILITY  Sustainability Management School ^{of} Switzerland BUSINESS SCHOOL THE <i>reference</i> FOR SUSTAINABILITY	 ASU[®] Arizona State University
HOSPITALITY & TOURISM  les Roches INTERNATIONAL SCHOOL OF HOTEL MANAGEMENT	MUSIC & VOCAL PERFORMANCE  Berklee College of Music
HEALTH SCIENCES  Advent Health UNIVERSITY	ENGINEERING & AVIATION  EMBRY-RIDDLE Aeronautical University
PERFORMING & CREATIVE ARTS  SCAD The University for Creative Careers	AGRISCIENCE & 4-H  UF UNIVERSITY of FLORIDA  TEXAS A&M UNIVERSITY.
UNIVERSITY PARTNERS  University of South Florida	 WORLD ACADEMY OF SPORT

Transcripts list career-related study, ASU, dual-enrollment and FLVS courses in a separate section showing provider, credit and final grade.

BEYOND THE CLASSROOM

Athletics. CVWS competes in the FICAA and the Central Florida Athletic Association. Varsity teams: boys' basketball, boys' soccer, girls' volleyball, girls' flag football and coed golf. Middle school teams and cheer are also offered.

Arts. Band, chorus and visual art are offered in Grades 6–12, and the school stages an annual Grades 6–12 musical (*Sister Act, Jr.*, fall 2026).

Service. Service is built into every year. Students volunteer through recurring days at AdventHealth Celebration, Town of Celebration community events and meal-packing for Learning Without Hunger, and complete CP service learning.

RIGOR BY DESIGN

Every core course is Honors or higher

Through the IB, the State of Florida recognizes all CVWS core academic courses (English, mathematics, science, social studies and world language) as Honors courses. IB Diploma Programme courses taken within the CP carry full IB weighting.

IB GRADE CONVERSION & GPA

IB GRADE	IB DESCRIPTOR	LETTER	GPA POINTS
7	Excellent	A	4.0
6	Very good	A–	3.7
5	Good	B	3.0
4	Satisfactory	C	2.3
3	Mediocre	D+	1.7
2	Poor	D	1.0
1	Very poor	F	0.0

IB courses are assessed against published IB criteria on the 1–7 scale. CVWS converts each final IB grade to the letter and GPA points above for the transcript.

Weighting. Florida quality points are added for final grades of C (IB 4) or above: +1.0 for IB DP, AP, AICE and dual-enrollment courses, and +0.5 for Honors, including IB MYP courses.

The transcript reports cumulative unweighted GPA (4.0 scale), weighted GPA (Florida scale), credits earned, and a Bright Futures weighted core GPA. All high-school-credit courses count, weighted by credit. Grades from outside providers are converted on the standard 4.0 scale. "IP" marks a course in progress.

Class rank. CVWS ranks students within each graduating class by weighted GPA. Rank appears on the official transcript for Grades 11–12. With a class of nine, rank should be read alongside the rigor of each student's programme.

GRADUATION REQUIREMENTS · FLORIDA DIPLOMA

English / Language Arts	4	Social Science	3
Mathematics (Algebra 1+)	4	Fine / Performing Arts	1
Natural Science (2 with lab)	3	Physical Education	1
Personal Financial Literacy	0.5	Electives	7.5
Total credits	24	Min. unweighted GPA	2.0

Two sequential world-language credits are recommended for university admission. IB MYP Algebra 1 taken in Grade 8 may earn high-school credit.

READING THE TRANSCRIPT

"IB MYP" marks Middle Years Programme coursework. "IB ... _CP" or "IB DP ..." marks a Diploma Programme course taken within the Career-related Programme. "Career-related Study_CP" and some CP core entries may appear with zero credit as programme records. Florida course codes and credits follow the Florida Course Code Directory.

COLLEGE COUNSELING

Seniors work with the college counselor through a structured application season. Official transcripts, this profile and recommendation letters are sent through **Scoir**.
